

**REMARKS**

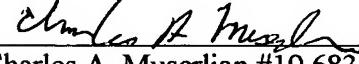

Reconsideration of the application is requested in view of the amendments to the claims and the remarks presented herein.

The claims in the application are claims 1 to 6, 8 and 11, all other claims having been cancelled.

Claims 1 to 6 and 8 stand allowed and claim 11 was rejected under 35 USC 112, first paragraph as being too broad and only enabling for treatment of osteoporosis. Since claim 11 has now been limited to osteoporosis which the Examiner deems to be enabled, this ground of rejection has been obviated.

Therefore, all the claims are now allowable and favorable reconsideration of the application is requested.

Respectfully submitted,  
Hedman and Costigan
